

L'exception a un nom

Magnifique propriété de charme

réf. CEM189

area : 260 m²

ground : 992 m²

number of pieces : 8

number of rooms : 9

close to saint malo, in the heart of a village labeled among the most beautiful in france, set back from the street, and hidden behind high walls, the sober 17th century building has been added another house, the whole forming a perfectly united house full of charm. past the porch, the facade looks onto a courtyard closed to the east and north of the buildings and turns entirely to the south onto its terrace and its beautifully atmospheric gardens, enclosed by high walls. 8 main rooms make up its interior including a beautiful reception room with period fireplace opening in a row on the kitchen dining room and in its extension a large living room. 5 bedrooms spread over the 2 floors of the house. charm, authenticity, ..
