under offer - pink granit coast in its wildest ! set in a small hamlet close to the sea and hiking trails, this fisherman's house offers a very simple distribution; a living room with wood stove, an independent kitchen with south and east exposure , a shower room with wc. upstairs a landing serves two small bedrooms. lovely sea view from upstairs. the house was completely renovated a little over two years ago. large plot of 1,600 m² and stone shed. the sea and the gr34 hiking trail leading to wild coves are less than 250 meters away via a path that weaves its way between moorland and granite rocks. ..
