lots of charm for this presbytery dating from 1753, restored with great respect for the original materials and elements. the living room has a monumental fireplace and beams still bearing the mark of sculpted elements, also a beautiful living room. the spacious and bright independent kitchen can accommodate convivial breakfasts around its large table. access to the floors is via a spiral staircase. on the first floor two bedrooms, a bathroom and wc, on the second floor also two bedrooms, a shower room and wc. courtyard enclosed by stone walls facing south, a small enclosed garden also to the rear. located in the heart of a small tregorrois village, a few kilometers from the beaches, this very intimate property is a little gem, a dive into the past ..
